

COR-VET

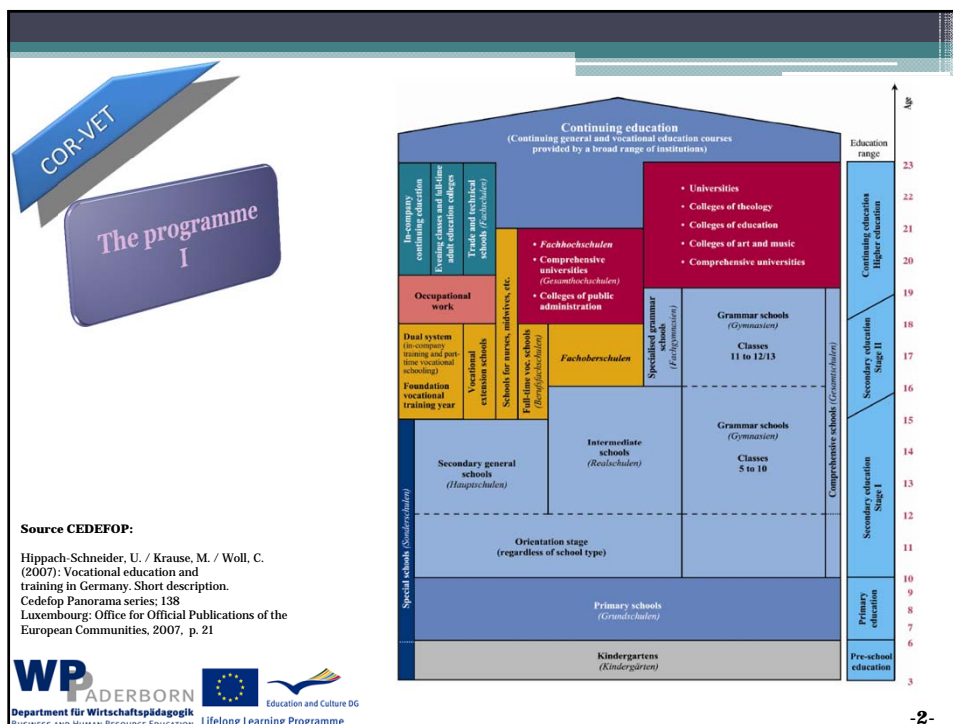

Career orientation in vocational education and training in Europe

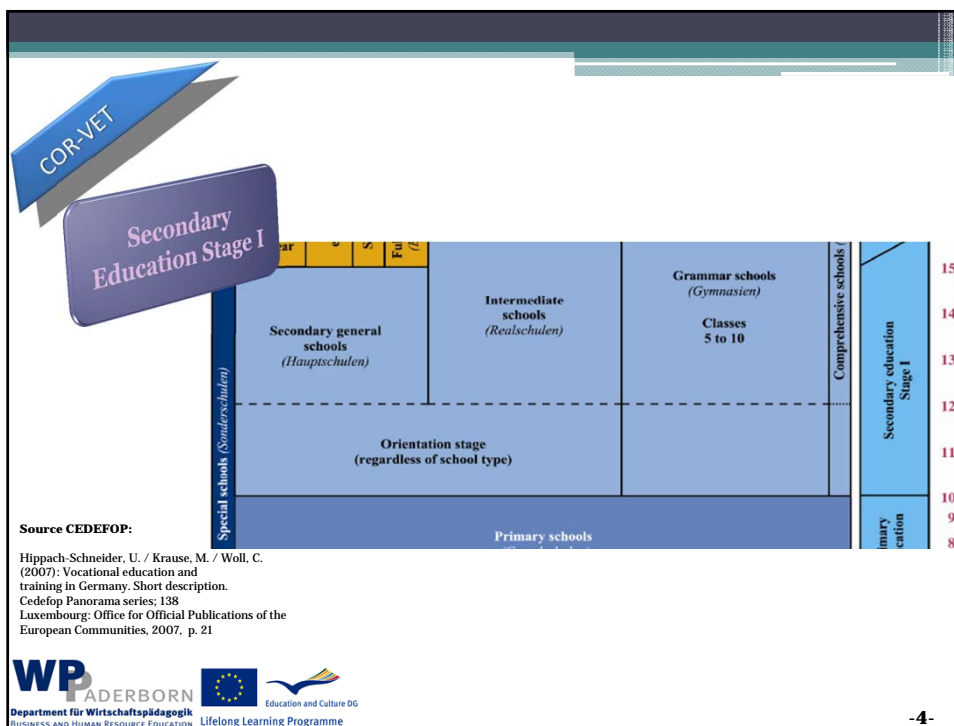

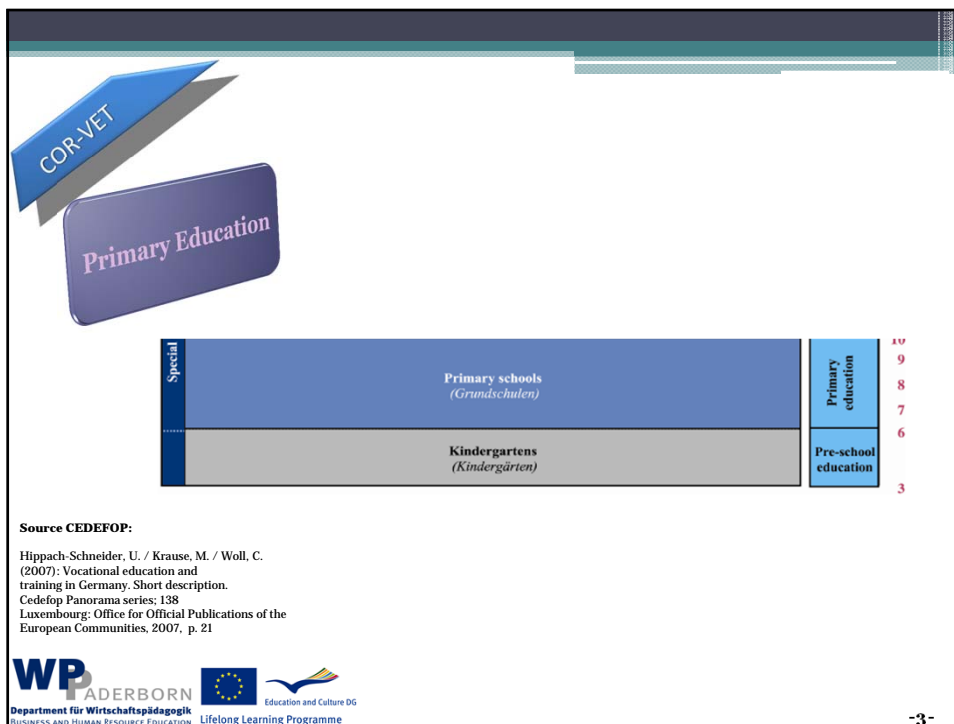

The VET-System in Germany
Paderborn, 02. November 2011

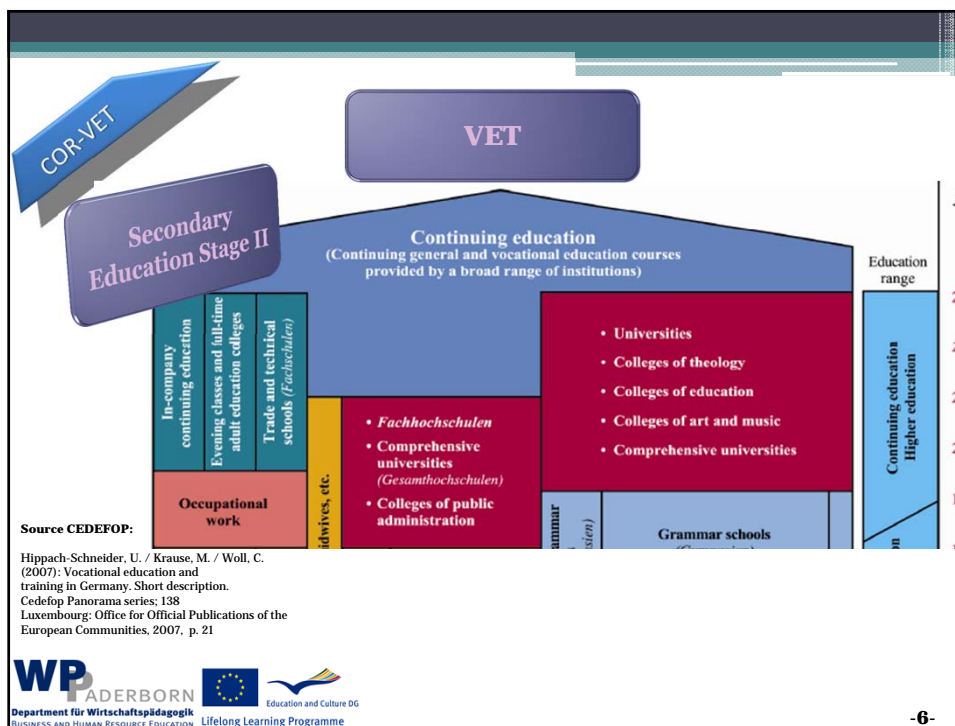

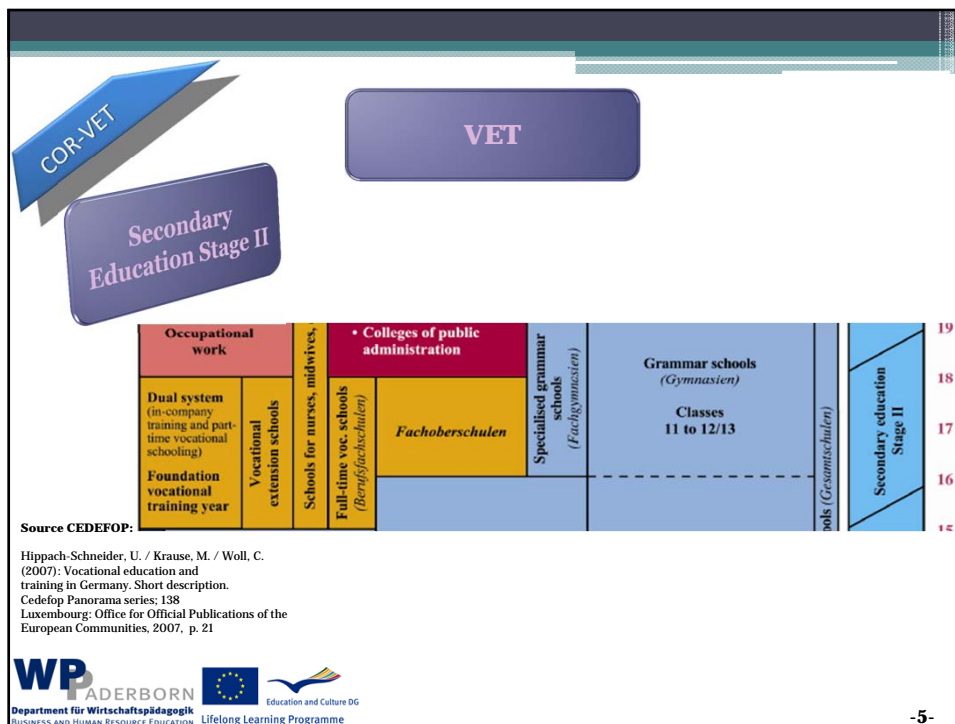

Chair of Business and Human Resource Education II
Prof. Dr. Marc Beutner

Department Wirtschaftspädagogik
Business and Human Resources Education
Universität Paderborn - Fakultät Wirtschaftswissenschaften

Principles

- Transperancy
- Mobility
- Permeability

in a vertical and a horizontal way

Four core ideas in German VET:

1. Combination of Market- and State-control
(a) continuing education (b) initial vocational education
2. Berufsidee = special German idea of a profession
3. Corporatism = involvement of Employer and employee organisations
4. Federalism = involvement of federal (BUND) and states (LÄNDER)
