

COR-VET

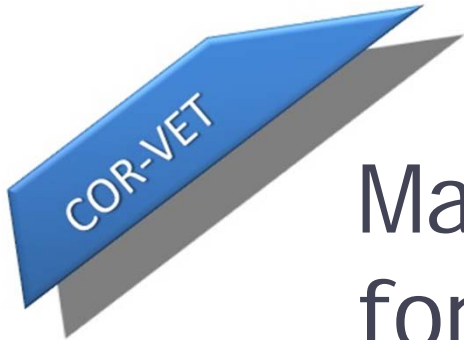

Career orientation in vocational education and training in Europe

COR-VET

Benefits of COR-VET - Germany

Workshop V: DE – THE FINAL WORKSHOP
Paderborn, 18th -20th of june 2013

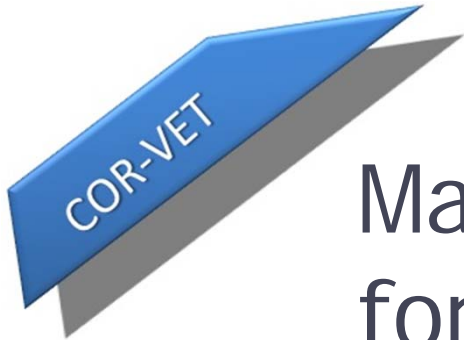

Chair of Business and Human Resource Education II
Prof. Dr. Marc Beutner

Main benefits of COR-VET for Germany I

The common European Approach
is a very good basis for further
developments in the field of
Career and Vocational
Orientation in Germany

**Information about other
European education systems**
are very useful for Germany.
It is the chance to learn from
other countries and also a chance
to provide ideas.

Main benefits of COR-VET for Germany II

The partner discussions on the topic are helpful for Germany because it is necessary to get a closer look on the different approaches as well as on similarities and differences.

The results of the survey are very important for Germany. They are guiding the way towards a new way to solve problems in the field of Career Orientation and provide the adequate data.
